Subject: note error in WV Spill Timeline/Summary

Fran

See your summary for Jan. 16th. I suspect you copied something Vicky had sent you. She used BCHM instead of MCHM.

Given all the confusion, you may want to make that correction in your chron.

Call me if you know more about the sampling/analysis coordination matter.

Have a good weekend.

Shawn, Dan:

Attached is the timeline, no need to worry about perfection.

The sooner the better! It doesn't have to be perfect. Thanks

Shawn

I met with Fran and he will have it to us tomorrow morning.
Fran - if you can do it even earlier, that would be even better.

Dan & Fran – How is the timeline/summary coming along? Need to get something to HQ ASAP.

Thanks - Shawn
